

STATUE of EQUALITY

Dear Friends in Support of Global Equality,

If we have to say one thing that brings harmony and joy to all beings in this world, that would be Equality, the Global Equality that unites the Globe. It was over 1,000 years ago when Sri Ramanuja began a revolutionary pursuit of equality, at a time when class and gender based discrimination defined the society. Sri Ramanuja broke down those taboos and revived society with the ideology of equality through devotion, compassion, humility, and mutual respect.

We endeavor to encourage each other every day to make a difference through the projects that will improve global equality. Continuous celebration of Equality is required to bring the masses to embrace the concept. Therefore we have come together to build the Statue of Equality to serve as a timeless symbol and global appeal for peace and inspiring compassion and humility throughout humanity, continuing to pave the path towards global equality. The Statue of Equality is more than a statue, it is a celebration of the virtues of compassion, mutual respect, and service to humankind.

India's historical and ongoing pursuit towards equality serves as an example for the world. While we have inspiration all around us, we continue to seek new ways to work together to achieve equality across the globe. Collaborating to improve the concept is an ongoing goal of the Statue of Equality and all our organizations.

Today I call for the public governments, private sector, business elite, NGOs and all the citizens to act upon uniting the world with a common thread of Equality. Let us join hands around the Globe with compassion and love.

I welcome all to join together in supporting The Statue of Equality as a center for Global Peace. Our work is inspired by the foundational belief that every human irrespective of nationality, caste, creed, color, race, gender, or political opinion is entitled to a healthy life filled with strength, confidence, love, happiness, and perpetual bliss.

Sincerely yours,

Sri Chinna Jeeyar Swamiji
