He provided Sankha and Chakra to Lord Sri Venkateswara of Tirumala and thus became Acharya (Preceptor) even to the Lord. A Great Matchless Honor!

He was responsible to build a big reservoir at Thondanur, Karnataka for cattle, irrigation and drinking purposes.

He was a remarkable administrator & visionary and the entire human race will live at peace if we Learn to follow the path laid down by the Great Acharya...

It would be very little in whatever we offer to such a Great Acharya who lived a noble life of 120 years.

The Statute of Equality (Samatha Murthy Spoorthi Kendra) is a humble token of gratitude to the Great Guru.
